FRESHMEN MAY MEET SENIORS

Talk Around Town That Healan Freshmen Can Beat Myrtle Seniors.

The prospects of seeing a special race pulled off between the Healan freshmen and Myrtle senior crews are bright. There is a rumor around town that the Myrtles would like to get a crack at the popular Healan freshmen who made such an excellent showing in their race last Regatta Day. Many of the spectators interested in the races that day believe that if the freshmen crew had backed up against the Myrtle seniors they would also have won.

The Myrtle boys are taking things very seriously, and do not like to hear the talk that is going around, to the effect that the Healan freshmen can wipe out their senior crew. The Healan members, on the other hand, are ready to back up their crew any time the race is arranged.

There is still a great deal of interest shown in the races of Regatta Day, and as it was the best day of racing in the harbor for many years, the event is still fresh in the minds of the followers of the sport.

If the race should be pulled off it would settle all doubts as to whether the Healan freshmen are, as has been claimed, the best crew on the harbor. It may be the crews will meet before long. Some of the Myrtle senior members are anxious that such a race be arranged, as they are confident the Healanis would have a different story to tell after the race.

The Healan Yacht and Boat Club will celebrate its victory in the recent Regatta Day events tomorrow evening at the Grill. The boys are all proud of the showing made by the Blue and White crews in their contests with the Myrtles this year. The affair will be a swell one, and those who attend will certainly have a good time.

There is some talk now of having a race between "strawberry" crews of the Healan and Myrtle clubs, and the event should turn out to be an interesting one.

The Healan "strawberries" beat the Myrtles on the Fourth of July this year, which was taken as a hint that their elder brothers would do the same on Regatta Day, and it so happened.

KAMS TO ENTER TEAM IN MEET

The Kamehameha track team sent in its application to the A. A. U. today, and it is hoped that the team will be accepted by the local branch. The Kamehameha alumni is back of the team and the boys are out to make a few records.

The Kam team is composed mostly of schoolboys who have been seen on the track before. The team is not a very strong one, but will no doubt make a good showing on the day of the contests.

Frank Kanae, the present holder of the hammer throw record, who is an old Kam boy, will represent the team in both the shot and hammer-throw events. John McCandless is another Kamehameha boy who will help out in the heavy weights.

The team will be represented in the sprints by C. Hosen, G. Manohu and H. Godfrey. These lads will have a hard job in tackling John Fernandez and Bill Rice.

W. Waiakale and A. Katanuhia will turn out for the broad and high jumps. For the long distances Austin Whiting may participate for the team with Benjamin, the game little runner. Eddie Noah and Joseph Kauli will try a hand at the pole vault and should make good.

There may be some other teams that will enter the coming meet, but at present the outlook for such is not bright.

SIXTY-THREE GO TO NATIONALS

The following article, which appeared in the Christian Science Monitor of September 4, may be of interest to followers of the big leagues:

CINCINNATI—Followers of major league baseball are today wondering how many of the 110 minor league players drafted by the National and American leagues at the meeting here Friday will make good in the big circuit during the rest of the season and hold their places in the championship races of 1912.

The drafting was done before the National Baseball Commission. Of the 110, 63 will enter the National League, while 47 will start their major league careers in the American League.

The Brooklyn Club of the National League and the Detroit and Cleveland clubs of the American League appear to have been the most fortunate in the draw. Brooklyn obtained 16 players, and 11 will go to Cleveland. While Detroit only secured nine, yet no less than four of the nine men were wanted by several other teams.

Cravath of Minneapolis, Vito of San Francisco and Dubuc of Montreal were the best liked players. Detroit secured both Vito and Dubuc, while Pittsburgh secured Cravath, provided a claim submitted by the Philadelphia National League club, that it had purchased Cravath, is not allowed. In case it is allowed, Cravath will go to Philadelphia, while the Pittsburgh club will obtain another Minneapolis player. Previous to the meeting Secretary Bruce stated that he had received checks from the American League for drafted players amounting to \$78,650, and from the National League, \$108,400.

The following is a list of the players drafted by the National League:

MEN TRAINING FOR COMING MEET

Highs May Enter Team and Compete Against Others.

The first track meet held by the local branch of the A. A. U. is but one week off, and the athletes are finishing up the last few days with some hard training. The chances of some records being established at the coming meet, which will hold for quite a while, are good. With such men as Rice, Hans Fassoth, John Fernandez and Frank Kanae in the meet, some fine records should be made.

The Oahu College students are not taking much interest in the coming meet, and as the present holder of the pole vault record, Ran Hitchcock, is not going to enter the coming meet, it looks as though the record for this event will not create any excitement. E. Noah and Joseph Kauli of the Kama will enter this event, and it is hoped that the boys make good.

There will be a surprise in the half-mile for Nottage, as he will have a man running against him who has not been on the track for some time but who is in the best of condition and is out to establish a record that will hold in the half-mile. Frank Bechert of the Y. M. C. A. is the man who will be a hard one to beat over the half-mile course. Nottage is well known to the athletes as a good man over this distance, and there are many who believe he can hold his own.

The entry list should be a swell one by tomorrow evening, and the meet should be productive of some very close races.

There is some talk of the High School boys forming up a team to compete in the coming meet. Marcellino is at the head of the plan, and Rice will be one of his strong supporters. It seems that all the athletes are training on the quiet, as a few are seen in action at Alexander Field.

Inman, who gave McCandless a hard rub for first honors in the hammer throw last year, is training for the coming event, and he is putting the shot 41 feet at present. The island record is 46 feet 1 inch, made by O. Jones of Kamehameha in 1908.

All those wishing to compete in the forthcoming meet must send in their entries to John Soper at the Hawaiian News Co. before 5 o'clock tomorrow afternoon.

The Chinese and Japanese in Hawaii are playing ball. Do they present a harakiri sword to the honorable umpire before each game?—Portsmouth (N. H.) Chronicle, Aug. 29.

Mitchell Valentine, a New York millionaire, who died two years ago, left almost his entire estate of \$2,500,000 to charity, according to the appraisers' report, made public recently.

What healthy Nerves Mean to You.

A strong vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless, she is not irritable, she never suffers from hysterics, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or triple duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have accumulated nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar oriental properties of

Persian Nerve Essence

These wonderful little tablets contain no mercury or other injurious drug. They act like magic. The bright eye, the elastic step, the clear and active brain, the courage and strength and comfort they impart are noted almost from the first day they are taken.
